

**RULE      24                      EXHIBITS**

(1)                      The attorney is responsible for all exhibits before, during and after trial. Exhibits should be marked for identification prior to trial.

(2)                      Any video or voice recording to be used in Court as evidence shall be accompanied by a typewritten transcript of same at the time of its proposed use to facilitate making of objections and rulings thereon, to be marked as duplicate exhibits and to be forwarded to the appellate court for its use as any other exhibit at the time of an appeal.
