

Saint Louis County's Department of Public Health

Prescription Drug Formulary

Last Updated: July 2018

Effective June 1, 2016, St. Louis Department of Health implemented a High Priority Drug List. The following medications: Lantus, Novolog, Novolin, Atrovent HFA, Spiriva, Ventolin HFA, Proair HFA & Respiclick, Symbicort, Advair HFA & Diskus, Flovent HFA & Diskus, Proventil HFA, are subject to two 30 day fills per year. Fills that exceed this limit will process at 100% of the discounted rate.
